

Content Release Schedule for Cohort 11

You will get access to introduction and pre-course material immediately after purchase. Each module will get released at 12:01am on every Friday. We will have two video Q&A's where you will be able to submit questions and get formal answers and additional content from an IKN Instructor. You will then have lifetime access to it and can go back anytime. Please utilize the Facebook group for questions in between Q&A's!
